

Residential HVAC Installer (potential \$1,000 hiring bonus)

Andgar Corporation is excited to offer a full time work opportunity with our Residential Heating & Cooling installation team! This position provides a great chance to get involved with a rewarding trade that exercises both hand and mind skills.

Common tasks involve working with the following materials:

Sheet metal duct, flexible duct, PVC pipe, flexible and rigid gas piping, insulating materials, typical house construction materials, low voltage control wiring, and refrigerant piping.

Projects include:

Installation of home comfort systems - heating, cooling, and ventilation.

Career development starts with the basic installation tactics, system layouts into equipment setting, equipment start up and balancing, learning of system designs, more advanced control methods, and more.

A successful candidate will:

- Have a desire and attitude to learn and take direction
- Show mechanical aptitude
- Want to develop their skills and be goal orientated
- Enjoy customer interaction and communicate well
- Work independently and well with a team
- Demonstrate professional appearance and conduct
- Have a valid driving license and acceptable driving record
- Be drug and alcohol free
- Be able to pass a background check
- Able to lift a minimum of 75 lbs

In addition - If you have a minimum of 3 years of trade experience, an active 06A electrical license, and universal refrigerant license, you can qualify for a **\$1,000.00 signing bonus**.

Pay, Incentives, and Benefits:

- Competitive hourly wages D.O.E.
- Company vehicle based on ability to work independently
- Company phone &/or tablet
- Medical, Dental, Vision, Disability & Life Ins., & 401K
- Vacation & holiday pay

If qualified & interested in joining our team you **MUST** email your resume in a Word or PDF format to careers@andgar.com or mail to PO Box 2708, Ferndale, WA 98248. Andgar is an Equal Opportunity Employer.
