

Welder/Fabricator II

Andgar Food Processing Equipment division has an immediate opening for an experienced welder/fabricator in Ferndale, WA. This division works with a variety of metal products for food processing equipment manufacturing. Most of the work is on food-grade stainless steel and aluminum products.

Andgar company culture prizes honesty, integrity, humility, and teamwork. Success to us is more than just dollars and cents, it's about the pride of standing behind the equipment we build and the people who build it.

As part of the interview process, qualified candidates may be invited to take an in-person weld test to demonstrate their welding skills.

Pay, Incentives, and Benefits:

- Competitive hourly wage, DOE
- Medical, Dental, Vision, Disability & Life Insurance
- 401(k) retirement plan with company match
- Paid Time Off (PTO)
- Paid holidays
- Employee Referral Bonuses & Safety Program
- Ongoing training and education with Andgar University

Specific duties include:

- Read drawings and follow instructions at various levels of detail
- Fabrication: cut, grind, drill, shear, and fit-up
- Welding: primarily GTAW stainless, but also SMAW, GMAW, and FCAW
- Installation of projects on-site
- Assembly: assemble basic mechanical equipment
- Working directly with customers
- Keep a clean and organized work area

Employee Requirements:

- Three (3) + years of experience or certificate in Welding from accredited trade school or college.
- Valid Driver License and clean driving record
- Drug and alcohol free (must be able to pass pre-employment drug test)
- Strong communication and math skills
- Able to operate tools, machinery, and vehicles safely
- Must be able to lift 75 lbs.

- Must be flexible with hours and able to work overtime as needed
- Self-starter with ability to work with little supervision.

Andgar is a Drug Free Workplace including pre-employment and random testing. We are an Equal Opportunity Employer. Veterans, Women, and Minorities are encouraged to apply. Please submit resume to careers@andgar.com
