

Architectural Sheet Metal Installer

Andgar Architectural Metals has a new opening for a **Sheet Metal Installer** with our Architectural Metals Team. This position is for work primarily in King and Snohomish Counties, but also includes the rest of Western Washington. **(TRAVEL IS REQUIRED)**

Andgar is looking for individuals with a background in Construction, Roofing and Siding, Metal Roofing and Flashing, as well as experience with various siding panel systems (metal, ACM and some Fiber cement systems).

We are blessed with great people, who thrive on challenging projects and being able to serve our customers. If you enjoy working in a highly motivated team, in a family atmosphere where success is defined by taking care of the customer – we may have the career for you.

Our Values:

- Being a positive influence for our customers and our community
- Teamwork – we walk through life together
- Honesty and Integrity
- Responsible Stewardship
- Doing the right things for the right reasons.
- Work hard – have fun

What we offer employees:

- Competitive hourly wages (DOE)
- Medical, Dental, Vision, Disability & Life Insurance, & 401k
- Paid Time Off (PTO)
- Paid Holidays
- Referral bonus program & Safety Incentives
- Continuing training and education through Andgar University
- Strong company culture; family friendly environment

The right person will have:

- One to Five (1-5) years of Construction or Sheet Metal installation experience
- Valid Driver's License and acceptable driving record
- Drug free (must be able to pass pre-employment drug test and participate in random testing program, including cannabis)
- Able to carpool to job site in company vehicle
- Must be able to lift up to 75 lbs.

Apply today by submitting your resume to careers@andgar.com. Andgar Architectural Metals is an Equal Opportunity Employer and a Drug Free Workplace. Women, Veterans, and Minorities are encouraged to apply.
