

Andgar Mechanical has an opening for a **Sheet Metal Fabricator** in our Ferndale, WA location. This position has career advancement opportunity for the right candidate and is suited for someone who is reliable, a quick learner, and can prove their skills for advancement. We prefer candidates who are self-motivated and are not afraid to step in and lead others when the opportunity arises.

This position will be working on projects in a shop environment that includes working with roofing/siding materials and HVAC duct work for the sheet metal trade industry. Training is available and those with construction and HVAC experience are preferred.

We are blessed with great people, who thrive on challenging projects and being able to serve our customers. If you enjoy working in a highly motivated team, in a family atmosphere where success is defined by taking care of the customer – we may have the career for you.

Our Values:

- Being a positive influence for our customers and our community
- Teamwork – we walk through life together
- Honesty and Integrity
- Responsible Stewardship
- Doing the right things for the right reasons.
- Work hard – have fun

Pay, Incentives, and Benefits:

- Competitive hourly wage and incentive program
- Paid Time Off (PTO)
- Paid holidays
- Medical, Dental, Vision, Disability & Life Insurance, & 401(k) with company match
- Continuing education and training with Andgar University
- Referral bonus program
- Great company culture and family friendly work environment

Employee Skills and Qualifications:

- Strong Math skills
- Valid Driver's License and acceptable driving record
- Drug-free (including marijuana)
- Ability to pass a background check
- Must be able to lift up to 75 lbs. and work in tight, confined spaces
- Self-motivated with ability to work unsupervised
- General construction background or previous work with sheet metal are preferred

Apply today by submitting your resume to careers@andgar.com. Andgar is an Equal Opportunity Employer and a Drug Free Workplace. Women, Veterans, and Minorities are encouraged to apply.
